The magic of Walt Disney World® treats visitors to four theme parks, two water parks, a dozen smaller attractions, and scores of restaurants.

With so many amusements and attractions to choose from, the hardest decision is where to begin. Whether you’re there for the character experiences, live entertainment, or the thrill of the rides, Disney provides endless entertainment for every member of your family. Join us for fun and a lifetime of memories at this perfect family destination.

We’ll be staying at The Grand Floridian, a Victorian-style resort hotel with all the Disney flair that you expect. Whether you’re a child or a child at heart, Disney’s unlimited attractions promise fun and excitement for all ages.

The Grand Floridian

Disney’s Grand Floridian would be a famous vacation destination on its own even without all the famous theme parks just outside its front door. The resort is lavishly designed in Disney style, with a live orchestra playing ragtime, jazz, and popular Disney songs in the massive lobby. Multiple pools, Disney characters, nightly fireworks, plentiful dining options, and pampering services for adults make this resort hotel a great place for kids to play and adults to unwind.
